HarperCollins Publishers Canada, Limited, Scarborough, ON, Canada, 2004. Mass Market. Book Condition: New. First Edition. After going for more than a year without a date - a record in New York City - Marlowe Riddle finally met a broodingly sexy, sharply intelligent man who is clearly interested in making more than polite conversation. The only problem: Joseph Kain is an NYPD detective clearly under the mistaken impression that Marlowe is a call girl. But while Marlowe does take money for spending time with strangers in her expensive Upper West Side apartment, she's a psychologist - not Manhattan's answer to the Mayflower Madam! A fact she has no intention of telling Joe at least not until she finishes her research project on the "Behavioral Effects of Disguising Identity." But Marlowe's not the only one trying to secretly gain information, and it's becoming increasingly unclear who is seducing whom. Because sometimes the only way to learn what a man really wants is to get him on the couch.
