Brand New Book ***** Print on Demand *****.Excerpt from Bulletin of the North Carolina Board of Health, 1913, Vol. 28 The great epidemics of the 70 s brought forcibly to the attention of the people the necessity for organized public health work. Though the first State Board of Health was based upon the suggestion of a woman in Massachusetts, during a typhoid epidemic in that state, the American Public Health Association, organized in 1872, was the chief influence towards organized State Boards of Health. The Secretary of the North Carolina State Board of Health says, in the First Biennial Report: Had there been no Medical Journal in North Carolina there would have been no State Board of Health now in existence, (1881). Investigation reveals the fact that the Medical Journal was edited by Dr. Wood, and that he was, probably, the sole proprietor, hence a true statement would read, Had there been no Dr. Wood in North Carolina there would have been no State Board of Health organized at that time, for the law establishing the State Board of Health was procured by him...
