RevivalSchool. Paperback. Book Condition: New. Paperback. 104 pages. Dimensions: 8.3in. x 5.5in. x 0.4in. Andrew Strom is founder of RevivalSchool. com and the international REVIVAL List. For years he warned prophetically of a coming economic crash in the USA. But in November 2007 while preaching in Wisconsin, God led him to go even further: I found myself clearly putting a date on this coming Depression - something I had never done before (or even considered doing). . . I found myself boldly declaring that within six months America would be in Recession, and within 12 months the actual Depression would begin. Just ten months later, in September 2008 came the crisis that rocked the globe. The two largest Mortgage giants in the world (Fannie Mae and Freddie Mac) failed, the USAs largest Insurance Company and largest savings bank both collapsed, Money Markets reeled, Investment banks crumbled, and the stockmarket plunged by 777 points (the worst ever) in a single day. As Andrew wrote on his email List, THE DEPRESSION HAS BEGUN. So what can be expected next How can we survive what is occurring And what has God been speaking prophetically about this very period that we are entering into All this and more is discussed in this eye-opening book. A must-read for these perilous times. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
