I grew up playing drums in nightclubs and bars in Mississippi in the early 1960s, from 9 years old I had seen more than most people see 3 times my age. I was an eighth grade dropout, I've been shot, stabbed, had my neck broken, and lived on the fringes of society. It is nothing to brag about, just straight facts like you will find in my book. I really thought that Jesus, Santa Claus, The Easter Bunny, And the Tooth Fairy were all just clever stories handed down to bring a little cheer and keep people in line. After two failed marriages I was truly blessed with a beautiful little lady from the land of smiles; Bangkok Thailand. Ms. Noklek V. Penn Lindsay, was born into Buddhism and married into the Muslim faith before meeting me. The years past and 6 days after I watched her take her last breath and lose her life to heart disease everything changed. In my grief I knew I had to find a way to end my pain so I tried prayer. I prayed for a sign that God and Noklek had forgiven me for every thing I'd ever said or done. In that instant I saw and heard things that even I doubted at first, after six months of amazing revelations even I cannot doubt. My book How A Converted Buddhist and Muslim Taught Me About Jesus will illustrate the proof of Gods love and grace I experienced and in reading my revelations you too will see this amazing confirmation of Gods gifts.
