

## Fundamentals of Private Pensions (Hardback)

---

By Dan McGill, Kyle N Brown, Vice President John J Haley

Oxford University Press, United Kingdom, 2010. Hardback. Book Condition: New. 9th Revised edition. 249 x 196 mm. Language: English . Brand New Book. For more than five decades, Fundamentals of Private Pensions has been the most authoritative text and reference book on retirement plans in the United States. The ninth edition is completely updated and reflects recent developments in retirement plans including the passage of the US Pension Protection Act of 2006 (PPA), the widespread shift toward hybrid and defined contribution plans, and a burgeoning economics and finance research literature on retirement and retirement plans. The volume is organized into eight main sections so the reader may use the volume as a text, a research tool, or a general reference. Section I (Chapter 1) introduces the historical evolution of the pension movement and the underlying forces that shaped its progress. Section II (Chapters 2 and 3) explains how employer-provided pensions fit into the patchwork of the U.S. retirement income security system, especially Social Security. The section also includes a discussion of the economics of tax incentives and their effect on retirement plan offerings and the structure of the benefits provided. Section III (Chapters 4 through 9) lays out the economic...
