Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

THE MARTIANS (PAPERBACK)

Bantam Doubleday Dell Publishing Group Inc, United States, 2000. Paperback. Book Condition: New. Reprint. 174 x 108 mm. Language: English . Brand New Book. Kim Stanley Robinson s Mars trilogy is one of science fiction s most honored series, with Red Mars winning the distinguished Nebula Award, and both Green Mars and Blue Mars honored with the Hugo. A modern-day classic of the genre, this epic saga deftly portrays the human stories behind Earth s most ambitious project yet: the terraforming of Mars. Now, following the publication of his acclaimed adventure novel, Antarctica, Robinson returns to the realm he has made his own, in a work that brilliantly weaves together a futuristic setting with a poetic vision of the human spirit engaged in a drama as ancient as mankind itself. From a training mission in Antarctica to blistering sandstorms sweeping through labyrinths of barren canyons, the interwoven stories of The Martians set in motion a sprawling cast of characters upon the surface of Mars. As the planet is transformed from an unexplored and forbidding terrain to a troubled image of a re-created Earth, we meet men and women who are bound together by their experiences on Mars and with each other. Among them are Michel, a French psychologist dazzled by the beauty around him; Maya, a woman whose ill-fated love affairs lead to her first voyage to Mars; and Roger, a tall Martian-born guide who lacks social skills but has the courage to survive on the planet s dangerous yet strangely compelling surface. Beginning with the First Hundred explorers, generations of friends, enemies, and lovers are swept up in the drama that is Earth s tenuous toehold on Mars. International exploration turns into world building; world building degenerates into political conflict, revolution, and war. Following the strands of these lives...
