Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt: .and I dared not ask to change my position until we reached shallow water at the mouth of the river. The Experienced One had looked at me askance when on starting I had mildly suggested he paddle me half way as I was a novice and only good in the bow. Oh, why had I not thought of padding my knees? How they ached! I re membered having read of Indian fakirs holding one position so long they harden into it, and I wondered if at our journey s end I would have to be lifted out of the canoe stiffened into this rev erential position for the rest of my natural days. I hoped the Experienced One would feel badly then, and this thought at times made me feel better. However, my knees throbbbed horribly; they felt like mumps, but we paddled on and on. At last as we neared the further side of the lake, its shores covered with charred skeleton trees and a second growth of timber. Dense masses of plants and lily pads almost hid the opening into a tiny stream, our goal, the Ox Tongue. Its waters were shallow; we rested and I joyfully stretched my numb legs. The sun beat down hot. The droning of insects, the note of a bird were the only sounds. The Experienced One began to hum an old Indian song learned in his boyhood from an Ojibwa and as he sang we paddled...
