Realizing that professional and personal success is hard to achieve and even more difficult to maintain in this fast paced world, William shares ideas and tricks that take minutes to implement, but offer lasting results in terms of productivity, time-management, personal growth, satisfaction, professional and relationship success. Change is a skill and like any skill it must be learned, accepted and then practiced before it will work. If you think of change as a pyramid, you would start with the foundation, the base of which is learning. You have to learn several things before you can make a change. You have to learn why you need or want to make this change. You have to learn about what it will take to make it. You will have to learn about replacing a bad behavior with a good one. This book will help you achieve all your life goals and make your life easier by making **SMALL CHANGES FOR BIG RESULTS!** Here s a quick look at some of the things that you ll get with this book: Discover The 5 Rules of Eternal Success Learn To Break Bad Patterns Learn To Accept Mistakes Learn To Handle Fear Learn To Combat Hurdles Discover The Nature...
