Cambridge University Press/Hodder Education, 2005. Softcover. Book Condition: New. This IGCSE Study Guide for Business Studies has been written especially for the University of Cambridge International Examination IGCSE Business Studies syllabus. Written by experienced examiners, it provides all the explanation and advice you need to study efficiently and succeed in the exam. The subject is divided into topics. Each topic starts with a list of the Key Objectives, which specifies the skills and knowledge you need to acquire during the course. Where appropriate there is also a list of Key Definitions. The Key Ideas sections outline the content and can be used to check that you know and understand the essential concepts for IGCSE Business Studies. Common misconceptions and errors are highlighted, and sample questions with student`s answers and examiner`s comments show how you can improve your answers and increase your grades. Further questions (with answers at the back of the book) allow you to test your knowledge.
