

The the Wal-Mart Revolution: How Big-Box Stores Benefit Consumers, Workers, and the Economy (annotated edition)

Filesize: 5.46 MB

Reviews

Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.

(Newton Runolfsson)

THE THE WAL-MART REVOLUTION: HOW BIG-BOX STORES BENEFIT CONSUMERS, WORKERS, AND THE ECONOMY (ANNOTATED EDITION)

AEI Press. Paperback. Book Condition: new. BRAND NEW, The the Wal-Mart Revolution: How Big-Box Stores Benefit Consumers, Workers, and the Economy (annotated edition), Richard Vedder, The activities of Wal-Mart and other big-box retailers have become rallying cries for both sides of the political aisle. This book is aimed at those involved in debates over Wal-Mart's impact on worker wages, labor issues, and health-insurance and land-use policies. The Wal-Mart Revolution provides useful facts about the company, the U.S. retail industry, labor economics, health-care policy, and land-use realities in America today. Economist Richard Vedder and public-private partnerships expert Wendell Cox painstakingly analyze available evidence before concluding that the economic transformation in American retailing which is personified by Wal-Mart has largely been good for Americans and the economy. Wal-Mart's basic business strategies have had a profoundly positive impact on America's productivity, wages, consumer prices, and other key economic variables. Though the book was written without any cooperation from Wal-Mart, Vedder and Cox address several criticisms often lobbed at the company and demolish them one-by-one: _ Wal-Mart workers are paid fairly--given their level of skills and experience, and compared to other retail firms, Wal-Mart employees do well _ Wal-Mart's fringe benefits_health-care coverage, retirement benefits, and more_are similar to those of other retail firms, and very few Wal-Mart workers go without health insurance _ Big boxes mean big business: communities with new Wal-Mart stores typically enjoy increased employment and incomes after the store opens _ Wal-Mart benefits the poor, in particular, in the form of lower prices and new job opportunities _ Attempts to keep Wal-Mart out of communities through zoning restrictions, mandatory health insurance, or special high minimum wages hurt citizens, especially those with lower incomes.
