Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Some Cursory Remarks: Made by James Birket in His Voyage to North America, 1750-1751* The diary here printed under its original title, *Some Cursory Remarks made by James Birket*, came undoubtedly from the collection of Dr. William Thornton, now on deposit in the Library of Congress. It was preserved by Mrs. Margaret Bayard Smith, the wife of Samuel Harrison Smith, founder and first editor of the *National Intelligencer*, and came into the possession of Mrs. Baldwin Wood, a great-great-niece of Mrs. Smith, and wife of Mr. Baldwin Wood of San Francisco, by whom it was presented to the University for publication. Of Birket himself nothing is known, beyond what is stated in his itinerary. He was probably one of Thornton's West India friends, a merchant and sea-captain living in Antigua, where the name is found among the records sufficiently often to establish the presence of a Birket family there. Among the Thornton papers is a little brochure, *The Ladies Advocate*, a Poem, printed in Antigua in 1748, which bears the name of James Birket, the owner. How the diary came into Thornton's hands we do not know. Presumably it was given to him by Birket, either in Antigua or in Tortola of the Virgin Isles, where Thornton lived, and must have contained information which the latter would value, preparatory to visiting the United States, as he did some years later, when he took up his residence there. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the...
