What do you do when you wake up to a whole new life.with dangerous urges you can t control? Medic Drake McKennan has never been good at following protocol, so she doesn t think twice about rendering emergency care when a teenager s life is at stake even if the young girl is in the throes of Were fever and any sane human should know better. It isn t the bright shining pain of the bite or even the wrenching agonies of the fever that convinces Drake everything in her life has changed. It s the way she feels about the blonde with the wolf-gold eyes who awakens a dark hunger she can t control.and doesn t want to. Sylvan, the Alpha of the Adirondack Timberwolf Pack, is the one female Drake can t have. And the only one she craves.
