Classical Comics, London, 2010. Paperback. Book Condition: New. 1st Edition. 144pp Illustrated. [In stock in Australia, for immediate delivery] The Classic brought to life in full colour - using Wilde's wonderful (original) words! Quick, quick, cried the Ghost, or it will be too late'. The American Otis family get more than they bargain for when they move into the English stately home of Canterville Chase. No matter how much they refuse to believe the rumours, the mansion is indeed haunted. The ghost of Sir Simon de Canterville has roamed the halls and corridors for some three hundred years, ever since he murdered his wife there; but now this new family has arrived to pester him! As you would expect from Oscar Wilde, this charming story is full of humour and wit, dealing with a culture clash between modern America' and traditional Britain' in the late 1800s. In this wonderful tale, Wilde cleverly turns the familiar gothic horror format on its head to create what could be called the first gothic horror comedy. A clever spin on the gothic horror genre and, as always, the illustrations add immensely to a thoroughly enjoyable experience. This adaptation shows off the brilliance of Oscar Wilde, being both authentic and funny at the same time - Ian McNeilly, National Association for the Teaching of English (UK). It is a very brave move to adapt a Wilde book and I think Classical Comics and its team have succeeded admirably. No doubt another award winning work! - Terry Hooper, comicbitsonline.
