BkMk Press of the University of Missouri-Kansas City, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book. Barkers poems capture what life is like on the other side of the English teachers desk, how she reacts to her students lives and their genuine if not always reverential responses to the literature she aspires to teach. Barkers poems are funny, frightening, moving, and playful (as shown by the titles reference to Wallace Stevens famous poem, "Thirteen Ways of Looking at a Blackbird." As poet Kevin Prufer notes in his endorsement of the book, "It would be easy to say this is a book about teachingit is!but its also a book about how our experience of reading humanizes us and shapes our experience of the world and other people." Alice Friman writes, "At base, reading down through layers of Barkers insight, remembrance, and even confession, these poems and the literature they examine affect everyone. In this classroom, no one is exempt. Not the students, not the reader, andbless hernot the teacher.".
