

## Probability Theory and Mathematical Statistics (mathematical basis of economics and management) (Chinese Edition)

By XIE AN . LI DONG HONG ZHU BIAN

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: Unknown Pages: 234 Publisher: Tsinghua University Press List Price: \$ 25.00 Author: Xie An. Li Dong red editor Press: Tsinghua University Press. ISBN: 9.787.302.289.173 Page: 234 Edition: 1 Binding: Paperback: Printing time: 16 Published :2012 -7-1 Words: 334.000 product identification: 22.839.380 Description Probability Theory and Mathematical Statistics comprehensive. systematic exposition of the concept of probability and mathematical statistics. methods. theory and its application. The book is divided into nine chapters. the two parts of the probability and mathematical statistics. The probability part include: random events and probability. random variables and their probability distribution. multi-dimensional random variable and its distribution. the numerical characteristics of random variables. the law of large numbers and the central limit theorem. Mathematical Statistics section includes: the basic concepts of mathematical statistics. parameter estimation. hypothesis testing. regression analysis. Each chapter is equipped with a certain number of exercises. Probability part of the exercises are divided into A. B categories. A is calculated. prove that the application questions; class B is to fill in the blank. select. determine the question. Book with exercises reference...

### Reviews

*It becomes an awesome ebook which i have ever go through. it was writtern quite perfectly and valuable. You will like just how the writer write this ebook.*

-- **Kane O'Reilly**

*A must buy book if you need to adding benefit. It is actually writter in basic phrases and not confusing. I found out this book from my i and dad suggested this pdf to find out.*
