HOW SHOULD CHRISTIANS VOTE

Moody Publishers. Paperback. Book Condition: New. Paperback. 96 pages. Dimensions: 7.3in. x 5.1in. x 0.5in. Christians are a large and influential voting bloc today. But as each governmental election approaches, an increasing polarity occurs within those claiming the Christian faith. This comes as a result of party-voting rather than voting according to Biblical mandates and authority. To refocus correctly, Dr. Tony Evans goes back to the basics and teaches on how God established government as a divine institution whose tasks include promoting the well-being of those within its realm and protection from evil. Scripture trumps all political alliances making the voting decision a critical opportunity for Christians to promote Gods Word and His values through whom they elect. In the face of increasing emotion the Christians representing Gods kingdom values should communicate His truths in a manner reflective of the King- in a gracious and strategic way. Dr. Evans also looks at the necessary qualities in a good candidate which include intellect, education, competency, skill and spiritual beliefs - whether certain issues are non-negotiables, and how a responsible citizen is to research a candidates position in order to evaluate it against Gods Word. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
