Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Of all human teachers they were the grandest who gave us the New Testament, and made it a textbook for Man in every age. Transcendent benefactors of the race, they opened in it a never-failing well-spring of the sweet waters of Consolation and Hope, which have flowed over, fertilized, and made blossom as a rose the twenty-century wide desert of the ills of human existence. But they were not poets, as most of the authors of the Old Testament were. They were too much in earnest in their great work of carrying the glad evangel of Redemption to all the earth-they so burned with eagerness to pour their joyful tidings into every ear, that they recked little of the FORM in which the saving intelligence was conveyed. Had they been poets would they have conceived Heaven as a place with foundations of jasper, sapphires and emeralds, gates of pearl, and streets of burnished gold that shone like glass? Never.
