Church Publishing Inc, United States, 2017. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Ideal gift book * Field-tested as a small group study resource; useful in small groups and for individual devotion I pray in poems explores the intersection of great works of poetry and faith, offering meditations on what these works illustrate about Christian living. Readers will encounter authors as diverse as William Shakespeare, T.S. Eliot, Rumi, Mary Oliver, and Anna Kamienska. Each poem is followed by an analytical reflection that explores the work and places it within the context of one or more biblical passages. These meditations will assist the reader in understanding and appreciating the poetry, and will also offer insightful, perhaps even inspiring, thoughts on what it means to live a life in faith. The book is designed to engage all Christians (especially those who don't think they like poetry), and to challenge anyone who thinks the arts are of little significance to religious life. The study of poetry, its rich language and evocative imagery, deepens an understanding of our spiritual lives and our relationships with God and each other. I pray in poems contains 20 meditations, organized around the liturgical seasons, and can serve as facilitation for personal devotion or as a resource for small group discussions. For individuals, gift purchase, small groups.
