Butterworth-Heinemann. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 9.4in. x 7.4in. x 0.8in. Numbers and Proofs presents a gentle introduction to the notion of proof to give the reader an understanding of how to decipher others proofs as well as construct their own. Useful methods of proof are illustrated in the context of studying problems concerning mainly numbers (real, rational, complex and integers). An indispensable guide to all students of mathematics. Each proof is preceded by a discussion which is intended to show the reader the kind of thoughts they might have before any attempt proof is made. Established proofs which the student is in a better position to follow then follow. Presented in the authors entertaining and informal style, and written to reflect the changing profile of students entering universities, this book will prove essential reading for all seeking an introduction to the notion of proof as well as giving a definitive guide to the more common forms. Stressing the importance of backing up truths found through experimentation, with logically sound and watertight arguments, it provides an ideal bridge to more complex undergraduate maths. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
