

Our Friends From Frolix 8

By Dick, Philip K.

Gollancz. 1 Paperback(s), 2013. soft. Book Condition: New. Nick Appleton is an Old Man, an anxiety-ridden, pill-popping menial laborer, whereas Council Chairman Willis Gram is the psionically gifted, despotic oligarch of an Earth ruled by the super-intelligent New Men. When they both fall in love with revolutionary propagandist Charlotte Boyer, Nick's prospects seem bleak but events take a decidedly unexpected turn when the revolution's leader, Thors Provoni, returns from ten years of intergalactic hiding with a 90-ton protoplasmic slime that is bent on creating a new world order. A visionary, Hugo Award-winning author, Philip K. Dick was inducted posthumously into the Science Fiction Hall of Fame. His stories have been made into other such blockbuster films as Total Recall and Minority Report, and he was the first science fiction writer to be included in the Library of America series, yet his 44 novels and more than 120 short stories were not widely published during his life, and he struggled to support himself through most of his career. 203.
