

How to Cook Husbands (Paperback)

By Elizabeth Strong Worthington

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A great many husbands are spoiled by mismanagement. Some women go about it as if their husbands were bladders, and blow them up; others keep them constantly in hot water; others let them freeze, by their carelessness and indifference. Some keep them in a stew, by irritating ways and words; others roast them; some keep them in pickle all their lives. Now it is not to be supposed that any husband will be good, managed in this way--turnips wouldn't; onions wouldn't; cabbage-heads wouldn't, and husbands won't; but they are really delicious when properly treated.

It is in a single of my personal favorite ebook. Better than never, though I am quite late in starting to read this one. I am effortlessly getting a satisfaction of reading a published ebook.
