

The Origins of Left Behind Eschatology (Paperback)

By David Malcolm Bennett

Xulon Press, United States, 2010. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The Left Behind books by Tim LaHaye and Jerry Jenkins have swept across the Christian world. But what are the origins of such Left Behind ideas as the pretribulation rapture and the sharp distinction between Israel and the Church? The Origins of Left Behind Eschatology begins by investigating the eschatology behind the Left Behind stories, and selects eight teachings which are essential to that way of understanding the End Times. It then searches through the relevant documents produced by the Early Church and many since the Reformation, looking for the origins of each of those eight ideas and when and how they came together in a system. There are plenty of surprises. The Origins of Left Behind Eschatology is a slightly enlarged version of Bennett s PhD dissertation. It has been called a clearly argued, thoroughly researched and overwhelmingly convincing thesis, the conclusions of which should . dispel much of the uncertainty that has dogged this area of millennial studies. (Crawford Gribben - author of Rapture Fiction and the Evangelical Crisis). David Malcolm Bennett was born in...
