

## Rebuilding Britain: The Aftermath of the Second World War

By David Rogers

Helion & Company. Paperback. Book Condition: new. BRAND NEW, Rebuilding Britain: The Aftermath of the Second World War, David Rogers, Undoubtedly, the Second World War was one of the darkest periods of history. With untold losses and countless with physical and mental scars, there was little to celebrate except the relief of closure. Yet what happened once the noise of the shelling subsided and the smoke dissipated? Certainly, late 1940s peacetime Britain was far from easy. Unemployment, power cuts, rationing, national service etc. were difficult to deal with, especially taking into account the physical nature of even some of the most basic tasks. As thoughts turned to recovery of such issues as the economy and unemployment, there was still a need to maintain the Services to such a level that they could provide a peacetime presence in the Rhine area, for example. Of course there were individuals conscripted during the war who were needed for some of the physical rebuilding programmes, the release of whom required national service from the next generation of young men and women. The coal industry needed its men back in the mines, for example. The call up to national service and demobilisation led to a...

### Reviews

*This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.*

-- **Mr. Grant Stanton PhD**

*A whole new eBook with an all new standpoint. It is actually rally fascinating through reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).*
