Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.If Operation SUNRISE represents the role that OSS played to bring about the conclusion of the war by strategic means (the high level discussions between senior German and Allied officials) then the use of low level agents to counter enemy intelligence activities took more of a tactical character. The responsibility fell to OSS s X-2, or counterespionage branch. X-2 collected information on Axis intelligence organizations and espionage activities while protecting OSS from penetration. Following its establishment in 1943, X-2 also maintained security of OSS s own operations, vetted or conducted background checks on OSS employees and agents, and acted in a liaison capacity with other American counterintelligence agencies and with foreign intelligence services.
