By Nanette Gottlieb

Cambridge University Press, Cambridge, UK, 2005. Paperback. Book Condition: New. First Edition. Nanette Gottlieb is a leading authority in this field. Her book builds on and develops her previous work, and promises to be essential reading for students, scholars, and all those wishing to understand the role played by language in Japanese society. A broad-ranging and accessible introduction to the Japanese language, how it has developed and how it functions within Japanese society. Author is one of the few experts in this field, and the book builds on previous research. A must-read for...
