Createspace, United States, 2009. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Spare, dry, and flecked with dark humor, Stephen Greco's Dreadnought centers on a fictional American corporation selling goods and services to a global youth market of a billion souls. Like Mount Fuji in Hokusai's Thirty-Six Views, the Dreadnought corporation - creator of the biggest brand in history - is visible directly or obliquely in each of these interrelated stories, which tell of who wins and who loses when young consumers and creative talent are stalked by a Big Brand of unprecedented power. Hint: Everybody loses - but the party's fun while it lasts. The novel's six tales are all set in New York's fast-lane of fashion, media, and the arts-populated chiefly by young people with more money, power, and influence than they know what to do with: Forensics, No Hat For Dinner, Kate Neiring, 48 Huron Street, The Demographer, and General Everything.
