Excerpt: . VIII THE Grjeco-latin ARYAN Let Us go back for a while to that other wave of Aryan blood which presumably flowed westward from Asia into Europe by the southern route. If the MidAsian origin of the Aryan peoples be accepted as fairly proven, it is interesting to note how the two great westward streams of migration, the northern and the southern, would in their journeying be continually forced farther and farther apart, and how by the interposition of natural barriers they would be kept from ever uniting or even drawing near to each other again. First, the diverging lines of the two rivers and the lateral plains, with the broadening wedge of the desert of Kizilkoom between; then the forbidding wastes of the Khivan desert; then the snowy wall of the Caucasus; and still beyond the black waters of the Euxine and its adjunct,...
