Bibliomotion, Incorporated. Hardback. Book Condition: new. BRAND NEW, Wall Street's Just Not That into You: An Insider's Guide to Protecting and Growing Wealth, Roger C. Davis, Do you consider yourself a long-term investor? If so, chances are you have parked your money with an advisor and pay little attention to its performance and even less to the amount of risk in your portfolio. You may be told by Wall Street to buy stocks or funds and hold them, or to create a diverse portfolio to protect yourself from risk and downturns in the market. Truth be told, new studies show this approach may not be serving the long-term investor well. In his new book, Roger Davis reveals point-blank that Wall Street's just not that into you. Drawing on an investment career spanning more than two decades, Davis delivers a dynamic and deadly accurate analysis of Wall Street's "one-size-fits-all" approach--and why even wealthy investors should be wary. Davis, who has two decades of experience managing funds, raises valid questions about traditional investment techniques, exposing the inherent dangers of relying on any one technique as a primary risk management tool. As a reader, you will be taught critical, innovative strategies like how to stress test your portfolio and "lose your losers." Davis reveals that most investors are less concerned about making a sizeable return on their investments than they are about protecting their wealth; yet many investors have the same unprotected exposure to the stock market that they did in 2008. This book offers investors specific steps they can take to reduce investment risk and the right questions to ask of their current advisors to understand whether they should make a change. Refreshingly candid and highly informative, Wall Street's Just Not That Into You offers a bold and thought-provoking alternative to the...
