Asia One Product Publishing Limited, Hong Kong, 2015. Paperback. Book Condition: New. 208 x 170 mm. Language: N/A. Brand New Book. Leap Hop India By Isabelle Demenge Illustration by Emilie Sarnel Leap Hop is a series of travel books written especially for children by Isabelle Demenge with illustrations by Emilie Sarnel. The idea of the series is to turn a grown-up trip into a fun adventure for children. These interactive books aim at getting children to discover new places and learn about other cultures through interesting information as well as games and activities. For parents, the books provide an ideal way to stick to a grown-up itinerary with a focus on cultural sites, and to create an unforgettable travel experience for their children. As kids play along by drawing, writing, and collecting items of interest throughout the journey, they ll find themselves creating a very personal souvenir as the book is transformed into a travel scrapbook for them to keep. Leap Hop India focuses on Agra and Rajasthan. Kids can learn to distinguish between history and myths surrounding the Taj Mahal, go on a scavenger hunt in the palaces of maharajahs in Udaipur, write their name in Hindi, and read about the palace intrigues of the Mughal emperors, among others.
