Barron s Educational Series, United States, 2011. Board book. Book Condition: New. Tekenteam (illustrator). 127 x 94 mm. Language: English . Brand New Book. At first, toddlers will recognize this safari vehicle as a toy, but when they pick it up they ll discover that it s also a book! It s thick and sturdy enough to stand on a flat surface when the pages are closed. When standing, it becomes a toy vehicle for kids to push around. But open it up, and it becomes a storybook with brightly colored illustrations. Each page is constructed of a stiff and sturdy foam plastic material with a glued paper surface for the illustrations and story. The story is short, simple, and certain to appeal to very young children.
